Corvallis Community Band
...sharing music with our community
www.c-cband.org

The Corvallis Community Band will begin rehearsals again on Tuesday, September 30, 7-8:30 PM, in the band room at Linus Pauling Middle School. Check the website (www.c-cband.org) for a map to the location.

We'll fill our folders with new music and get acquainted again as we read through the repertoire for our next several concerts. (See calendar below)
We'll also have some social time after rehearsal, so plan to hang around a few minutes to catch up with old friends and meet some new ones.

Outreach Opportunity: Kevin Groh, the music teacher at Kings Valley Charter School, is asking for musicians to come and play for his middle school classes to introduce them to wind instruments. He is especially interested in having groups (trios, quartets, quintets) come. The classes are on Thursday afternoons between 1 and 3 PM. He'd like to schedule some of us to come in late October and early November. If you're interested and available, let me know, and we'll try to put something together. Our grant for outreach from the Benton County Cultural Coalition can help with gas money and money for music purchase, if necessary.

2008-09 Calendar (as we know it right now)

Tuesday, November 11, 7:30 PM: Veteran's Day Concert at the Methodist Church at 11th and Monroe. The Master's Men will join us for this concert.

Sunday, December 7, 5 PM: CCBand Holiday Dinner at the Corvallis Country Club. \$10 per person. Details coming later.

Tuesday, December 16, 7 PM: Holiday Concert at the Presbyterian Church. Some small groups featured.

Sunday, February 8, 2009, 3:00 PM: President's Day Concert in conjunction with the OSU Symphonic Wind Ensemble. La Sells Stewart Center. More details about this concert as they are known.

Thanks again to all of you for a wonderful Summer Concert Season. The bands were consistently large (70-plus many times) and the instrumentation was remarkably consistent! The audiences were very appreciative, and I, for one, had a great time playing. I hope you all did, too.

I won't see you Tuesday (I'm in Nebraska right now--but I'll join you next week.) Have a great time--and a good beginning to a new year with the CCBand.
